

Self control

Oh, the night is my world
City light, painted girl
In the day, nothing matters
It's the night, time that flatters

In the night, no control
Through the wall something's breaking
Wearing white as you're walkin'
Down the street of my soul

You take my self, you take my self control
You got me livin' only for the night
Before the morning comes, the story's told
You take my self, you take my self control

Another night, another day goes by
I never stop myself to wonder why
You help me to forget to play my role
You take my self, you take my self control

I, I live among the creatures of the night
I haven't got the will to try and fight
Against a new tomorrow

So I guess I'll just believe it that tomorrow never comes

A safe night, I'm living in the forest of my dream (you take my self, you take my self
control)

I know the night is not as it would seem (you take my self, you take my self control)

I must believe in something

So I'll make myself believe it that this night will never go (you take my self, you take my
self control)

(Oh-oh-oh, oh-oh-oh)

(Oh-oh-oh, oh-oh-oh)

(Oh-oh-oh, oh-oh-oh)

(Oh-oh-oh, oh-oh-oh)

Oh, the night is my world
City light, painted girl

In the day, nothing matters
It's the night, time that flatters

(Oh, the night is my world) you take my self, you take my self control
(City light, painted girl) you got me livin' only for the night
(In the day nothing matters) before the morning comes, the story's told
(It's the night time that flatters) you take my self, you take my self control

A safe night, I'm living in the forest of a dream
I know the night is not as it would seem
I must believe in something
So I'll make myself believe it that this night will never go

(Oh-oh-oh, oh-oh-oh)
(Oh-oh-oh, oh-oh-oh)
(Oh-oh-oh)

You take my self, you take my self control (oh-oh-oh)
You take my self, you take my self control (oh-oh-oh)
You take my self, you take my self control (oh-oh-oh)
You take my self, you take my self control (oh-oh-oh)

I, I live among the creatures of the night (you take my self, you take my self control)
I haven't got the will to try and fight (you take my self, you take my self control)
I'm living in the forest of my dream (you take my self, you take my self control)
I know the night is not as it would seem

It's my world (you take my self, you take my self control)
City light, painted girl (you take my self, you take my self control)

You take my self, you take my self control (oh-oh-oh)
You take my self, you take my self control (oh-oh-oh)
You take my self, you take my self control (oh-oh-oh)
You take my self, you take my self control (oh-oh-oh)

Locked out of heaven

One, two, one, two, three
Oh, yeah, yeah
Oh, yeah, yeah, yeah, yeah (ooh)

Oh, yeah, yeah
Oh, yeah, yeah, yeah, yeah (ooh)
Never had much faith in love or miracles (ooh)
Never wanna put my heart on the line (ooh)
But swimmin' in your water's something spiritual (ooh)
I'm born again every time you spend the night (ooh)

'Cause your sex takes me to paradise
Yeah, your sex takes me to paradise
And it shows
Yeah, yeah, yeah

'Cause you make me feel like
I've been locked out of heaven
For too long, for too long
Yeah, you make me feel like
I've been locked out of heaven
For too long, for too long, oh-oh, oh-oh-oh

Oh, yeah, yeah, yeah, yeah (ooh)
Oh, yeah, yeah
Oh, yeah, yeah, yeah, yeah (ooh)

You bring me to my knees, you make me testify (ooh)
You can make a sinner change his ways (ooh)
Open up your gates 'cause I can't wait to see the light (ooh)
And right there is where I wanna stay (ooh)

'Cause your sex takes me to paradise
Yeah, your sex takes me to paradise
And it shows
Yeah, yeah, yeah

'Cause you make me feel like
I've been locked out of heaven
For too long, for too long
Yeah, you make me feel like
I've been locked out of heaven
For too long, for too long, oh

Oh, whoa, whoa, whoa, yeah, yeah, yeah

Can I just stay here?

Spend the rest of my days here?

Oh, whoa, whoa, whoa, yeah, yeah, yeah

Can I just stay here?

Spend the rest of my days here?

'Cause you make me feel like

I've been locked out of heaven

For too long, for too long

Yeah, you make me feel like

I've been locked out of heaven

For too long, for too long, oh-oh, oh-oh-oh

Oh, yeah, yeah, yeah, yeah (ooh)

Oh, yeah, yeah

Oh, yeah, yeah, yeah, yeah (ooh)

Every breath you take

Every breath you take

And every move you make

Every bond you break

Every step you take

I'll be watching you

Every single day

And every word you say

Every game you play

Every night you stay

I'll be watching you

Oh, can't you see

You belong to me?

How my poor heart aches

With every step you take?

Every move you make

And every vow you break

Every smile you fake

Every claim you stake
I'll be watching you

Since you've gone, I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying, baby, baby please

Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?

Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you
Every move you make
Every step you take
I'll be watching you

I'll be watching you
(Every breath you take)
(Every move you make)
(Every bond you break)
(Every step you take) I'll be watching you

I'll be watching you

I'll be watching you

whoo, hoo
(Every game you play)
(Every night you stay) I'll be watching you

I'll be watching you

I'll be watching you

I'll be watching you
(Every single day)

(Every word you say)
(Every game you play)
(Every night you stay) I'll be watching you

You know that I'm no good

Meet you downstairs in the bar and heard
Your rolled up sleeves in your skull T-shirt
You say, "What did you do with him today?"
And sniffed me out like I was Tanqueray

'Cause you're my fella, my guy
Hand me your Stella and fly
By the time I'm out the door
You tear men down like Roger Moore

I cheated myself
Like I knew I would
I told you I was trouble
You know that I'm no good

Upstairs in bed with my ex-boy
He's in a place but I can't get joy
Thinking on you in the final throes
This is when my buzzer goes

Run out to meet you, chips and pita
You say, "when we married, " 'cause you're not bitter
"There'll be none of him no more"
I cried for you on the kitchen floor

I cheated myself
Like I knew I would
I told you I was trouble
You know that I'm no good

Yo, aye yo I knew you was trouble
When I first laid eyes on you
Temperature so hot the heat just rise with you
Lemme ride with you talk about your mistakes
You cheated yourself but these are the breaks

And it'll never be the same again 'cause of old boy
But, oh boy
Together we make so much joy
In the sands, and, oh, what a web we weave
But you played me so I had to roll up my sleeves
And hunt you down, holding the next man's stacks
Now you sorry and trying to bring that old thing back
Act like we can rekindle that flame
It's a shame
How you can't get me off the brain
He that lame
You love how I bring the pain
Got them rug burns stinging and you saying my name
Say my name, uh
That's right I'm high post
Get the champagne love word up we gonna toast
I cheated myself
Like I knew I would
I told you I, I was trouble
You know that I'm no good
I cheated myself
Like I knew I would
I told you I was trouble
Yeah, you know that I'm no good

The best

I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
Mmm, and it can't be wrong
Take my heart and make it strong, baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met

I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

In your heart, I see the star of every night and every day
In your eyes, I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no better place

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met

Ooh, I'm stuck on your heart
I hang on every word you say
Don't tear us apart, no, no, no
Baby, I would rather be dead

Each time you leave me, I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh baby, don't let go

Ooh, you're the best, ooh
Better than all the rest
Better than anyone
Anyone I've ever met

Ooh, I'm stuck on your heart
I hang on every word you say
Don't tear us apart, no, no
Baby, I would rather be dead
You're the best

Ooh, you're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met

I'm stuck on your heart, baby
I hang on every word you say
Don't tear us apart, no, no, no
Baby, I would rather be dead

Oh, you're the best
You're better than all the rest
Better than anyone
Anyone I've ever met
Ooh, you're the best

If I ain't got you

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game

Some people think
That the physical things
Define what's within
And I've been there before
That life's a bore
So full of the superficial

Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby

Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah

Some people search for a fountain
Promises forever young
Some people need three dozen roses
And that's the only way to prove you love them

Hand me the world
On a silver platter
And what good would it be?
With no one to share
With no one who truly cares for me?

Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby

Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, you, you

Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby

Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah

If I ain't got you with me, baby
Oh, whoo-oo

Said nothing in this whole wide world don't mean a thing
If I ain't got you with me, baby
